

VIOLETTE

VIOLET

NATURAL AROMAS

WHY IS IT UNIQUE ?

EXPERTISE

An exclusive recipe combining traditional methods and innovations to create truly distinct flavours. Our Liqueur Master is the guardian of the secrets passed on from generation to generation.

NATURALITY

No colouring, no additives and no preservatives. Natural aromas. Natural flavourings.

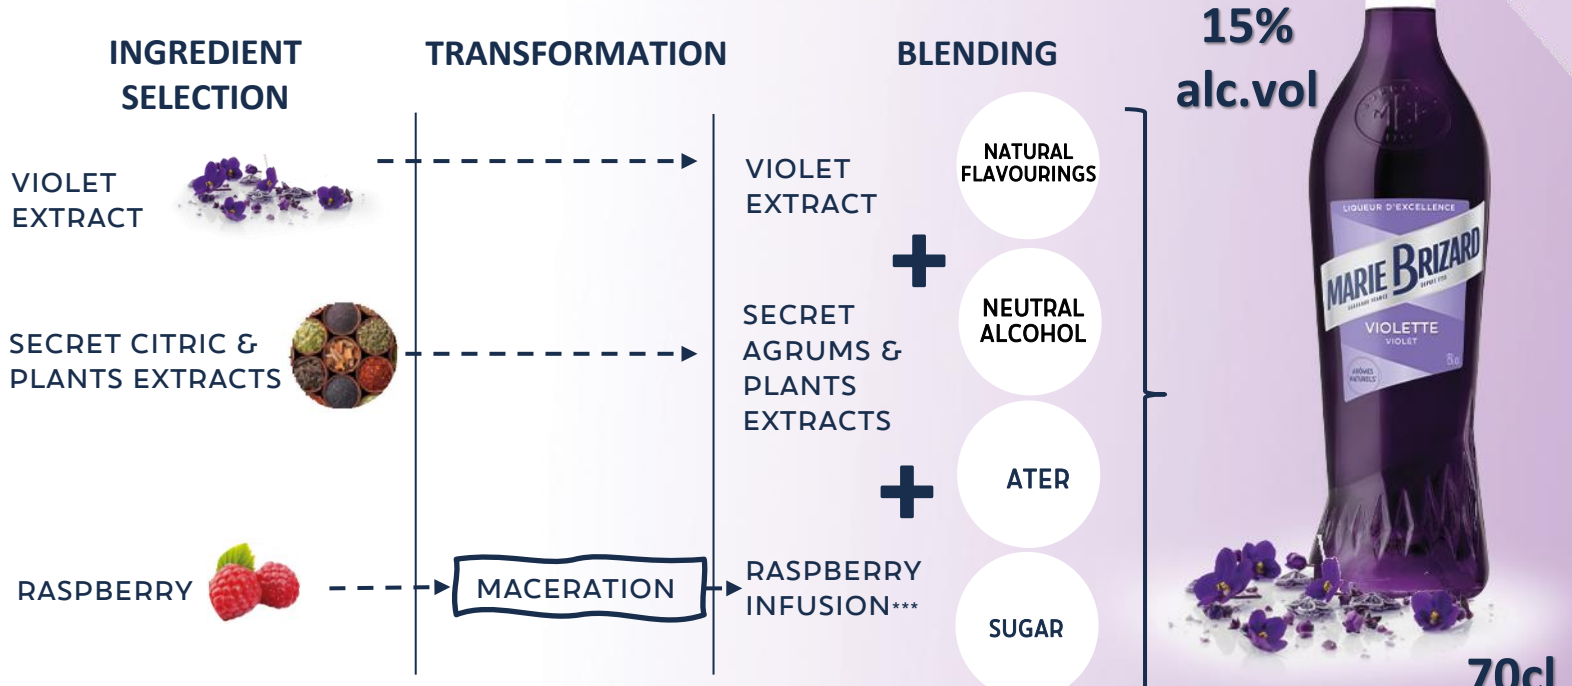

FRENCHNESS

Marie Brizard® Violet Liqueur has been inspired by the **Maison's expertise since 1755**. Maison Marie Brizard®, which was already serving its liqueurs at the court of king Louis XV, has been sharing **French art de vivre** throughout the world for **270 years**. It belongs to the heritage of France and is part of the very small circle of the **oldest French companies** still in activity. **Marie Brizard® Violet Liqueur** is characterized by the delectable **floral notes**.

WHAT IS THE SECRET TO HOW IT'S MADE ?

◇ A perfect combination of quality ingredients including **violet extract**** and **other agrums and plants extracts****

◇ Our Liqueur Master has used the **Maison's ancestral heritage** to research and combine the **best ingredients** from all over the world, and created this **aromatic, intense and harmonious liqueur**.

**An extract is a solution of which the aromatic part comes 100% from a natural ingredient obtained from an extraction process.
 *** An infusion is a coloured liquid obtained by macerating aromatic plant substances in alcohol (25-35% vol.)

HOW TO ENJOY IT ?

Our Violet liqueur can be enjoyed in cocktails and also straight over ice!

DID YOU KNOW ?

IS VIOLET A NATIVE PLANT OF EUROPE ?

TRUE

The violet plant is native to Europe, where it has been admired for its beauty and fragrance for centuries. It grows naturally in woodlands, meadows, and along roadsides, and has long been used in perfumes, as well as in traditional remedies.

DO OUR RECIPE HAVE SECRET PLANTS IN IT ?

TRUE

Yes, because it sets us apart! Unique plants make **Marie Brizard® Violet liqueur** distinctive, appealing to those seeking something special.
